

***Dan's Dive Shop Presents:
Florida Fresh Water Springs Week 2010 with Matt Mandziuk***

Join me for a week of warm, crystal clear and easy fresh water diving in one of my favourite diving havens, Northern Florida.

Gain access to the majority of dive sites you wouldn't be able to dive on your own.

Experience the warm sapphire blue waters of the [Florida Aquifer](#) and it's many local springs, grottos, caverns and caves (optional).

I will be guiding newer divers for a week long diving excursion.

February 22-March 1st, 2010

Last years group did over 25 dives. You'll have the opportunity to participate in the most intensive dive training available, making you the most well rounded diver in the water.

Certified, qualified divers who just want to enjoy the dives can join in on this trip.

Those who wish to maximize their diving will have access to the following training packages:

- 1) Advanced Open Water, Nitrox, Cavern Diver regular \$870.45. Special Price only \$550cdn saves you \$320.45!
- 2) Peak Performance Buoyancy, NAUI Intro to Tech, Cavern Diver \$943.95 Special Price only \$600cdn. saves you \$343.95!

We will be diving the following dive sites:

Peacock Springs, Troy Springs, Blue Grotto, Cow Springs, Manatee Springs, Crystal River to dive with the Manatees, Ginnie Springs and on the way back home, Merrit's Millpond (optional).

Divers will even have the opportunity to dive with and experience a 4 hour Manatee Tour swimming and diving with these docile mammals.

We will be taking you on guided plant tours of [Diverite](#) and [Halcyon](#) where you can see much of the product you're diving being made.

Cost is only \$536.25us per person (based on a minimum number of 8 guests and includes accommodations, most meals, equipment rental from Dan's).

Additional Costs: Park Admission Fees (\$100us approximate), Enriched Air Fills (\$100us approximate). Yearly family passes are available for dive teams who want to buy into the pass. It does save some money.

Divers will need to get to North Florida either by car pooling or flying into Jacksonville and renting a car for the week.

A mandatory deposit of \$200cdn/person is required to hold your spot.

Please make arrangements asap, as I need to give deposits to the accommodations, as well as the damage deposits.

This is a great deal for you and some of the best diving in the world!

If you're up for learning, experiencing new things, diving to your highest potential and having a great time doing it, this is the perfect time to save some money and do so.

Join me for the most memorable dive trip you'll ever have, dive sites many have only dreamed, and take your diving to the next level.

See you in the water,

Matt Mandziuk
